

Student Portal Access

We have created a website for students to log in and watch videos of all techniques, forms and weapons for all belt groups.

The cost for access to this student portal will be \$10.00 a month for one student, \$15.00 for a family. The cost will be added to the monthly studio dues.

Each student will have access to the current belt he or she is working on at the time.

Example: If you are a yellow belt you will logon and your orange belt page will be the main page you are on. You can go down in rank to watch other videos but you cannot access above your rank. Access to other areas will be blocked by your current rank.

To access the Student Portal go to www.pinedaskenpo.com and click the student portal link.

The information I will need from each parent:

- Student's first and last name
- A valid email address
- Contact phone number

User names will be the student's first name with last initial.

All usernames will be lower case. Example: johnd.

I will set the first logon password to password1. After a successful logon, a profile button is located at the bottom of the page. Click on this and you can change the password. Please change all passwords once you logon.

Please make passwords strong with upper, lower and symbols for security purposes. I cannot see passwords after you have changed them but if a reset is needed contact Russell Conley and he will reset it back to password1.

Also I will need a parent or student to update all address and phone information. Click the update button at the bottom.

At the bottom of the page in lower right corner you will see the profile, log out, Pineda's Kenpo Home buttons. Please log out after each use.

Please contact Russell Conley or Jim Dean with any questions. Russell's contact info: 307-466-3071 or russ@earthwisepaths.com. Jim's contact Info: 307-707-0492
